“ Marie and Family, I worked with Virginia in Personnel in Sears 1005, Ponce de Leon. Oh what wonderful memories I have of our time together. I lost touch with my dear friend and am sad to see that I will not have a chance ever again to see her smile. What a lovely lady she was and so proud of her family. May you find peace and comfort at this time.##imported-begin##Hannah Cooke##imported-end##

“ To Marie and family, I have been so blessed to know your dear mother as a friend and one of the sweetest souls I have ever known. She will be missed by all at Southern Plantation. Words could never express how much she meant to so many and all the lives she has touched.

My prayer is that you find comfort during this time of loss and may your joy be abundant in her home going.

God Bless You dear family!

“ I was so sad to see your mom's obituary in the paper this morning. George and I must be out of town this weekend or we would certainly come to the funeral. Your mom meant a great deal to me and even though I didn't see her in the last few years, she was on my mind and will always be in my heart.
