“ *It was a sad time when I saw in the Hartford Courant of Ginny's passing. I got to know Ginny, Carl, Glenn and Guy through their many visits to my Aunt Rita's house in Newington, Ct. Ginny was just the nicest person. I enjoyed the visits we had very much. Hope to hear from Carl.*

“ *Carl, Glen and Family*

*My deepest sympathy is with you all. Ginny was my dearest friend since our childhood days. Our last visit by phone was less than 3 weeks previous to her death; and little did I realize then that "it won't be long" was to be so soon.*

*May you find comfort and peace.*

*My love to Carl and all the family.*

“ *Ginny was my mother's, Rita, best friend when she lived in Newington, CT. I babysat for Glen and Guy many, many years ago. Carl and Ginny were a delightful couple and a positive influence on my life. I was sad to hear of her passing.##imported-begin##Gary Gustavson##imported-end##*

“ *I was a Director of Product Development and worked very closely with Ginny as we developed rates for our private passenger auto program. She was always of great assistance and very dependable. We have lost a truly great lady. My wife Norma and I often saw she and Carl at the Larchwood in Wakefield, RI where both couples use to eat and dance. Wonderful times.##imported-begin##Jan V.
