“ I met Vito Sunday, a week ago, as the Eucharistic Minister at St. Joseph's Hospital. He was such a delightful man and we talked for some time. Before leaving the hospital, I asked Fr. Yander to stop and see him. Father told me this past Sunday that Vito had died after surgery. I had hoped to see him again this week. I am so sorry for your loss. I'm sure he's in heaven but I know you'll miss him in your lives. He was very concerned about his wife and didn't want her to worry so about him. He told me that she was the "good Catholic." He didn't feel as though he measured up to her in the faith department!

Each week I meet special people at the hospital. Vito was one of the most special. God bless you all. You are in my thoughts and prayers.###imported-begin###Carol Awalt###imported-end###

“ To the DeMilio family;  
Vito was a very special person to me as early in my career he took me under his wing and taught me what I needed to know to pass promotional exams. Although from a neighboring department I found him always willing to help and over time we forged a nice albeit short friendship as he retired long before I was promoted, but I owe it all to his teachings. I will always keep him in my thoughts and prayers. God bless you Chief!

May his soul rest in peace with our Lord.##imported-begin##Jim Walsh, Capt. Pelham Manor Fire Retired##imported-end##
