I sure did enjoy that video . Never a picture without a big smile on her face . She was always a happy person . We had so many good times together always so much fun . She was a fun person to be around. We had so much fun when we worked at K Mart together. Had a hard time keeping her out of misfish at work . She will be missed a lot . Best wishes to the whole family. Love you all.

Zane and family, what a loss for you and all who knew Vivian. In my case, that goes back to our junior high years in the middle 1950s.

I shall miss her but one time and that will be forever.

“ *Sending all of you, Vivian's family, my deepest condolences on your loss of her. I know she will be missed terribly. I will miss her so on facebook and will never make a cake that I won't think of her and how much she wanted that "basket of flowers" cake. She won't need it now. God bless all of you and may He comfort you in this time of deep grief.*
