“ I remember when I was a little girl and my uncle keith brought me a little jack russell puppy that he rescued from someone that he know, he know the puppy was in bad hands cause of the way she was being treated. I sure am going to miss video chatting and u on Facebook messenger and us talking about the Bible and other things, but I know you are in heaven with my dad who passed away September 11,2021, and I bet my dad ur cousin was waiting at the golden gates of heaven waving u in.
