“ *Janet and all who loved Walt,  
I am so very sorry for your loss. Such a sudden and tragic loss. I came to know Walt through Janet and was always so glad to see him at choir events. He was such fun to flirt with- Janet was nice enough to allow me to flirt with her husband knowing that it was all in good fun. I will miss the twinkle in his eye and his knowledge of nature, life and fun.*

“ My husband became friends with Walt through the monthly pistol shoots at the CGC. He always spoke fondly of the well mannered man who coordinated the event and encouraged the participants to to their best. Walt liked to tease my husband by saying his wife paid for the \$12 entrance fee just to get him out of the house. We are blessed to have known this wise man. He has touched our hearts.
