“ *I worked with Walter a number of years ago. He was always a model of a kind gentleman. He will be missed.*

“ *When I think of Walter, I always think of his lovely, gentle manner and sweet smile. He was the consummate southern gentleman, obviously raised well to always do and say exactly the right thing with natural grace and great humility.
May God bless you, Linda, and all of the children. I'm confident that your memories of Walter's love and innate kindness will be a blessed memory and huge comfort to each of you.*

“ Linda and family, I had the blessing of having Walter as one of my training instructors when I was first employed with Georgia Power. I'll always remember his commitment to helping us learn and his great sense of humor. He set the right kind of example that helped new employees to have a wonderful start to our career. He was a gentleman who always demonstrated what we call "Southern Style" -- unquestionable trust, superior performance, and total commitment. Walter made significant positive contributions to the lives of many people. I'll always remember how proud he was of his family and how he enjoyed taking vacation on Fridays (in addition to other extended days) to spend time with them. He will be truly missed by us all. Please know that you are in our thoughts and prayers. God bless you all!##imported-begin##Thomas Wicker##imported-end##
