“ I met Wanda at Drug Emporium in Stone Mountain. She was our greeting card representative and I was one of the pharmacists. We became good friends and formed a little group with employees Helen Davis and Joe Renshaw. What a gift her friendship was. I'm sorry I lost touch with her when we moved away to Greensboro. I just wanted you to know how sorry I am to learn of her passing and to let you know how blessed I was to know this amazing lady. Bob Wheeler

“ I have so many wonderful memories of spending time at Bill and Wanda's house growing-up. Sleeping on a cot upstairs in Wayne's room, going to art class every week during the summer, delish home cooked meals, lots of laughter and fun. Epic memory, the barbecued Bologna roll on the grill rotisserie spit. I still have the cook book and have made it many times over!
A beautiful lady inside and out, full of the grace of God. <3 Priscilla
