“ *What can I say about Wanda Payne. What a great person. I worked with her at Stone Mountain and was a Park Ranger with her son Lou. I even worked with her once when one of her bus drivers she supervised got in a bus accident in the City of Snellville. Wanda will always live in my heart. She always called me one of her babies and remembered me as that little Park Ranger at Stone Mountain Park. She was always so Great with everyone around her. I will always remember her and my thoughts and prayers are with the Payne family during this time and always.*

“ Miss Payne,

You were and still are the BEST Bus Driver I ever had!

You were my bus driver from 1976 to 1980 for Parkview High School.

You made me feel safe, wanted and loved.

You knew my home life and the trials and problems I faced on a daily bases and listened and helped me deal. I can never repay you for that....THANK YOU!

Miss Payne ..you were a BEAUTIFUL, AWESOME Person that I thank God came in to my life.

I got to met you again when I was grown and in my 40's and when you saw me you hugged me and said I was one of your "Babies"....

Thank you for being a positive roll modal in my life at such a young age when I needed it the most!!

*Love ,
Dina (Wiggins) Locher
