“ Phillip, you and your family are in our thoughts and prayers. When we lived there, we shared so many wonderful memories with both of you guys. Wanda touched our hearts with prayer, laughter, advice, recipes and wisdom from our bible studies together. She was a dear person that God put in our paths and I am looking forward to rejoice with her again. Miss passing down the hwy to church and seeing her mom's house and your beautiful land with those cows. Your memories will always be in our hearts.

With our love,

“ Ms Wanda was one-of-a-kind!! She thought of others first, soft spoken, great cook, liked to laugh, and loved her family and friends. One summer I had the privilege of cooking with her at Cloudland camp. She surprised me by drenching me with the kitchen sink squirter!! Then left me to mop it up! From then on I called her 'Mean-streak Wanda!' She will be missed! Our love to Phillip and the family ❤️

“ I'm so devastated to hear of Wanda's passing. I have worked with her and been a friend for over 8 years. She was so brave fighting this cancer and she continued on like everything was fine. I send my sincere condolences to her beloved husband Phillip who she so dearly loved. I pray God wraps him in his love.
