“ *I was devastated when i heard about the death of Waymon Carter. I cared about him very much. He taught me alot when i attended Church of the Way . He is a part of the reason i am as close to god as i am today. I know that he is now in heaven with my aunt Amanda bailey. Linda, im so sorry you have lost your husband but just remember you will see him again because he is waiting for you on the other side in heaven with amanda. Laura, im so so so sorry you have lost your dad , but dont let the sadness get the best of you . You will see him again in heaven . I wish the best for both of you through your time of grievances. I will pray for you and your family.*

“ Linda & Laura Preacher Waymon meant so much to us all. It was such a shock for all of us I know. Even now after 2 weeks the hurt is still here as if it was just yesterday. Please know that Our Prayers are still with yal and I will certainly be in prayer for you both to find some peace. Some things we will never understand - like why he was taken from us so soon. But remember that God does not make any mistakes. God knew what He was doing when He took Our Precious Preacher,Husband, Father Etc...We do not understand it all but we will someday know.WE know what Waymon stood for let us just continue in his way so that we will meet him again. Because he is already over there WAVING ON THE OTHER SIDE. With love and prayers, Lee & Joyce##imported-begin##Lee & Joyce Brown##imported-end##

“ I remember when we were little and would all come to visit. It was fun to see farm animals and chickens at Waymon and Joe's house. Buzz would catch a rooster so I could pet it's comb. I was scared of them. We didn't see each other too much after that, except at the occasional family reunion or regretably, a funeral. I know he is a good Christian man, called to spread the word of GOD. I am proud that he was my cousin. God Bless all of his family, and Pat and her family.##imported-begin##Rene' (Bailey) Swanson ##imported-end##

“ Linda, Laura & family: Pastor Waymon meant more to us than we could put into words right now. Please know that we love you and we are praying for you. Some things we will never understand - like why he was taken from us so soon. But remember that God has a greater plan. When the hurt seems to be more than you can bear, just crawl up in Jesus' lap and rest a while. Let him tote the burdens for you.
