“ when Jesus spoke of the part that he would have in resurrecting the dead. He said: “For just as the Father raises the dead up and makes them alive, so the Son also makes those alive whom he wants to. Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out.”— John 5:21, 28, 29.##imported-begin##lois petty##imported-end##

“ Shirley, I have many fond memories of the times I spent with you and Waymon at various V-8 Club and V -8 Foundation events as well as Hershey. I always considered both of you my dearest friends and part of my family. I always enjoyed sitting next to him during those National Board meetings. Waymon only spoke when he felt he had something important to say. Wish I could be there for a last goodbye. I hope to see you in the future. “ Shirley and family, we were so sorry to hear of Waymon's passing. It was our good fortune to have had him as a friend . I treasure those memories of serving on the V-8 Board of Directors with him. I truly appreciated all the advice and knowledge that he shared with me about Ford V-8's and the V-8 Club. He was a man of few words, but when he spoke to an issue you listened, because it was important and always made perfect sense. His honesty and respect for others was a true virtue.All of us will miss him. Tom/Pam Johnston###imported-begin##Tom and Pam Johnston###imported-end##

“ Dear Shirley and family:
We share your loss. Waymon was one of those big loveable Teddy Bears that made you feel welcomed. The work we did together on the V-8 National Board was interesting, and what he taught me about judging has helped so much.
Pete and I extend our sincere sympathy, love and prayers to you.

“ Shirley and Justin;
We were very sorry to hear of Waymon's passing. We will remember him as a man with a big heart and a twinkle in his eye. He also was a man of honesty and truthfulness. While we got to know each other via old cars, there was more to it than that.
