“ *Dearest Barbara--After talking to you not very long ago about your upcoming vacation, I was deeply saddened to learn that Wayne had passed away and am so very sorry. I feel it was a privilege to have met such a fine gentleman as Wayne and such a strong woman as yourself. When petsitting for Lacie in Conyers, I could see the gentleness and kindness Wayne showed towards his pet..which is a reflection of the true inner person. You were always there for him and I know your loss is a shock. My deepest sympathy, prayers and thoughts are with you. God bless you and your family.##imported-begin##Carol Cortino##imported-end##*

“ *I was saddened to learn of your loss. I grew up with Wayne in Rockmart and graduated from Rockmart High with him in 1958. We enjoyed many good times playing and going to school together. He was, as we say, a darn good ole boy. Your family are in my thoughts and prayers at this time.*
