“ *Wayne,*

I was not ready for you to leave. I wanted more time with my friend. You have been one of the best friends that I have. I loved that you got my sometimes bizarre personality. I have not let this sink in yet. I am still going to get up on Sunday morning and be ready to come to meet you for breakfast. You had my heart the day that you came to cheer me on as I was walking the 60 mile breast cancer walk two years ago. There you were with Mac and you both wearing your Pink cowboy hats and shirts. Not any man would have done that for a friend. You will be missed by us both. Love you up to the moon and back and as big as the sky. That is a whole lotta lovin!!!!
