“ *I always thought I'd see you again, and we would put closure to us. I've missed you everyday of my life, and wish I was more grown up in the time we had together. I am stunned to know that you are gone. Rest in peace my friend - the only person who ever loved me for just being me. I have never forgotten us. Love, Barbie*

“ *My heart aches for the tragic loss of this dear man. While most would have walked away from an extremely challenging and difficult rehab project for my family, Wendell saw it through with grit and grace. His heart was huge! We will always remember his kindness. I know beyond doubt that his son filled his heart with the greatest of pride and love!*
