“ *I liked Wendell and regret not knowing him longer. He always had a smile and pleasant greeting for everyone he met, and never a bad word about anyone. I will miss his orange cap and his "Good Morning" every morning when I walked my dog. The light of the universe will burn dimmer with his passing, but I know he's in a better place now.*

“ See you later brother....

“The Leaf”

*A gentle breeze shook a leaf from the tree.....
No one noticed... just you and me.
The leaf danced It swayed... a child again,
And as the breeze so gently, lifted it away,
It paused for a moment as if wondering.... “Should I stay?”
But continued its journey anyway.*

*The leaf floated higher and higher toward the Light in the sky
And when I saw the clouds open,
I thought I heard familiar voices from the same old tree...
Or was that the sound of angelic wings?*

*It doesn't matter so much that the breeze took the leaf away,
Only that, that part of our tree was taken
Gone “Home” to stay.
Our family will miss that part of our tree,
But, our family “back home” is rejoicing I know,
Because our loved one has “come home” to stay.*

*A child again.....
No suffering, no sadness, no more pain nor hurt,
He's gone home to the Father, gone away from this earth.*

*So every time you hear or feel a slight breeze,
Or see the movement of the leaves.....
Remember.....
The leaves that have gone “Home” to our Heavenly family tree.*

“ *Dad, this is the hardest thing for me. You didn't prepare me for this, mom didn't prepare me for this. God did tho. I'm trying to stay strong like you would want me to. But missing you is way to hard to do. I love you. Until we meet again my father* 🍷
