“ My heart aches today as I learned of Wendy and Randall 's passing. Our children attended preschool together when we all lived in Washington State. Wendy was the sister i never had. Their 43rd wedding anniversary would have been this week. Our love and prayers surround the family members during these difficult days. Most sincerely, Greg and Jean Walent.

“ I worked with Wendy at Kroger. She was always kind and generous. Wendy gave me a precious gift, her Grandmother's Oatmeal Cookie recipe. These cookies are the BEST oatmeal cookies on the planet. She gave me the recipe when I was leaving the store to work in the corporate office. She told me that she had never shared the recipe with anyone, ever. I cherish the recipe even more today. My kids will get to taste "Grandma's Oatmeal Cookies" for the first time today.

Rest in peace Wendy amd Randall. Your gentle souls are missed on the earth. But we know you have definitely been richly rewarded in Heaven.

“ I am one of Wendy's first cousins. We grew up together in Salt Lake City, Utah. We always played together, our family had celebrations together and dinners and picnics and our grandfather taught us how to fish and then took us fishing and camping. Wendy was also a dancer at the Virginia Tanner school and all the little girls danced in their "Ginny" gowns. She had grace in movement and she was full of grace. I was in her and Randall's wedding, in Logan, Utah at a family home. Then she and I began raising our families and Wendy moved to Georgia and I moved to Wyoming. I and my sister, Sue, will miss her always and we send our heartfelt prayers of peace, comfort and love to Amanda and Christopher and Jeff.

“ I remember her from Costco. She was such a sweet lady always had a smile on her face. You would ask, how are you doing today? Her answer would always be "just short and honory". We at costco were so sad to hear of her passing. She will be missed. Rest well lovely lady

“ Over the past few years, Wendy has brought us all closer to each other. You were always so friendly and helpful. You were everyone's grandma. I will always remember your sweet hugs, lovely smile and our mini conversations. May you rest in peace.

“ Wendy's spunk and smile will always stay with me. And I don't think I ever had a conversation with her when she didn't remind me that she was "short and ornery." I remember her bringing cake to Fun Friday swim practice instead of donuts. I also remember her sending Amanda and Christopher out through their backyard gate with bedheads from morning swim practice. Randell and Wendy were such a positive part of the Steeple Chase community. Their love and gentleness will be remembered, and they will be missed dearly!

“ Amanda and Chris, I'm sorry for your loss. Wendy and I worked together for many years. She was a good friend to me and my family. I remember standing in her kitchen, she trying to teach me how to make snickerdoodle cookies to take to the boys football bake sale. But you know she was really making the cookie. I have so many fond memories of your parents and you guys. Your parents will truly be missed. My prayers go out to the family

“ They say friends are the family you chose. Whatever you call it, that was definitely us. Words cannot express our heartbreak. There are too many stories, laughter and tears. I am thankful you and I were wise enough to leave nothing left unsaid. You and Randall meant the world to us and you knew that. We will do our best to keep your memory alive. “ It has been a few years since I have seen Wendy, but I have such fond memories of my time with her. She loved her family with her whole heart and spoke with great fondness of you all. Amanda and Christopher, she was so proud of you both. I remember the love of a nephew who traveled a great distance to help paint her home. And of course, all the short and ornery stories. I have a book she brought me on my birthday about age not being important unless you are cheese (So Wendy). I think of her every Christmas when I put out the snowman candle containers. Always a cheerleader and encourager, you will be missed Wendy. My condolences to all who loved Wendy and Randall.

“ My boys and I are tremendously saddened by the loss of Wendy and Russell. We met and became friends during the countless hours we were all at the Kung Fu school and my boys were also often guests at their house during that same time. I am going to always miss Wendy's incredible spunk and positive outlook!

“ I am truly sorry for your loss. I have known Wendy and Randall for many years and was always glad to see them come to see me at my work, mostly Wendy. I thoroughly enjoyed our talks. They were some of the greatest people I have known. I feel fortunate to have known them for many years. I hope and pray that the Lord will comfort the family. I know that it will take a long time to grasp all that has happened but trust in the Lord and he will see you thru.. My heart goes out to all the family.

“ *I wish I knew what to say Mom. I love you and I miss you. I miss your spunk and energy. I miss seeing you on the back porch during swim meets making food for the team. I even miss your over-cooked pork-chops. Thank you for always supporting me when I was growing up. Thank you for dragging me to the stairs every time I did something stupid so that you could climb up and look at me eye-to-eye. I still remember the story of when I first started swimming and came in last place. You told me that everyone beat me, and I said, "at least I didn't lose." I wish you could have met my children. I really think they would have loved "Shortmor." Love - Thumper*

I have such fond memories of your Mom from swim team and the old neighborhood. Your Mom was proof that good things come in small packages. We are all keeping you and your family in our thoughts and prayers. We can't imagine how you're feeling but we would like to convey our deepest sympathies.

“ My deepest condolences for the loss of both Wendy and Randall. They were my next door neighbors for about 5 years and were so good to both me and my daughter. Wendy and I had many great conversations at the driveway where we'd always take time to talk when we saw each other. She had the best outlook on life and I truly treasure the conversations we had. Amanda, I will keep you in my prayers now and in the days ahead. RIP Wendy & Randall. Kelly (Carlton) Mensinger

“ One of my favorite memories of Wendy was on the morning we were moving away. We were exhausted after spending the whole night with the movers. When the moving truck pulled away around 7 am we had piles of stuff to throw away. We filled our garbage bin quickly and were panicked, trying to think of a way to get rid of the other junk so we could leave for the closing on our house,, three states away. Wendy came over , calmed us down and suggested that we spread our junk with the neighbors dumpsters. She had a twinkle in her eye as she helped us find space in the dumpsters of neighbors on the street. We got rid of everything. I honestly don't know what we would have done if she hadn't come next door to help us. We love them both. Jim and Andrea McKenna

My sons and I shared many dear moments with Wendy. Their hurting hearts, along with mine, show just how much she was loved. Her compassion, kindness, quick-witted sense of humor, and wonderful touch of sassy mixed with mischief is the way I will remember our precious Wendy. Amanda and Christopher, our prayers and thoughts are with you all. God bless and comfort you.
