“ *Wendy was so good to my kids. When everyone was afraid to take care of Rhys and his trach Wendy and Arla were there for us and she showed that love to the "twins" too. Thinking of you Arla, Jerry, Karen, Paul and the kids and wishing you peace in your memories. She will be missed-very special person.*

“ *My favorite memory of Wendy was when I first met her in the "chemo suite" and I asked her what her name was. She said her name was Wendy but the infusion nurse always called her "Tande". Wendy was always so pleasant and could always manage to smile, even on days when you knew she wasn't feeling well. I will miss her!*
