“ Oh Sissy, I miss you and love you so much! Not a minute goes by that I am not thinking about you and remembering all of our family's wonderful memories. Our family is so close and we all love each other so much and we will be *THE FAMILY UNIT FOREVER* and *BEYOND* just as we promised each other. I always told you that you are the most beautiful person I have ever met, both inside and out. Thank you for always listening - I hope you are still listening to me because I talk to you every day. Nothing will ever be the same for any of us without you here, but we know you are our beautiful Angel smiling and shining down on us and will have a place prepared for us when we are together again. I read all of the entries in the guest book, and the one thing that came through the most was that everyone said she was always smiling and was a very loving, caring person. Knowing you, I can say that she was a reflection of her mother. Linda, I know that you are a very spritual woman, and I hope that this will help you in this time of personal loss. “ Growing up on Bowman Road was an amazing experience filled with pool, Halloween and birthday parties. All of these memories, for me, revolve around the Hall family. My favorite memory of Wendy was when she he just bought the “new” Village People record and we danced around in her room all day long. Being that I was a few years younger, to have such a beautiful, sweet girl pay attention to me just made my day!! I feel I have been truly blessed to have had Wendy and the entire Hall family in my life. Sometimes a person waits too long to say how much they love and appreciate someone. Wendy will be deeply missed by all friends and family. I just want to let Wendy and the Hall family know how much they all have meant to me.##imported-begin##Heidi (Zeller) Swiderski##imported-end##

“ We were so shocked and deeply saddened to see Wendy's obituary. We do not know what caused the loss, we only know we have been overwhelmed with sadness since reading the news. We've known Wendy since she was a teenager, attended her wedding to Adam and watched her devolope into a beautiful young lady with a heart of gold. We never saw Wendy without a big, warm smile on her face. And that is how we will remember her always. Our prayers go out to the families and Adam. God bless.
