“ *To Ellen and the Robison family,
I, along with my siblings, send prayers and condolences to each of you during this time of mortal loss, yet spiritual celebration. Mr. Robison has ALWAYS been remembered by my family as a wonderful Principal, an encouraging leader, and a true Southern Gentleman. Even at my age I still remember his soft voice and kind greetings each morning at Fairview. Now, as Vice President of the Board of School Trustees, I cherish his leadership in my life during those elementary days as an inspiration in making me a person I hope he would have still been proud of.
May God provide you with joy!

“ Mr Robison was principal at Fairview School which is the very first school I worked in. He was always kind and caring to the staff , children and parents. A very patient man who I always deemed a true Southern gentleman. May he Rest In Peace and his family be comforted by their precious memories of a life well lived.

Mr. Robison was the principal at Crestdale School during part of the time I taught Kindergarten there. I picture him sitting on the bench in the front hallway welcoming the teachers as they arrived each morning. He had such a calm and kind demeanor both with the staff and the students. It was a joy working with him. I will be thinking of you and your family and praying for your memories and faith to give you strength at this time.
