“ *It looks like I am several years late in searching for a dear friend. In 1988 my husband Joey Beatty was transferred with his job and we found a beautiful home in Snellville, GA. At the time I had two beautiful small children. Shayna 3 and Renee 1. Very soon after moving there I became pregnant with Keri. I needed someone we could trust to watch our beautiful children. We were so very blessed the day we found Willene Cook. We always called her Mrs. Cook. She took amazing care of my children when I had to go back to work. She loved them and cared for them just like they were her very own. We were from Texas and my children soon learned to love grits, greens and all of her fabulous cooking. She had great patience and potty trained my middle daughter. She was the most amazing lady I've ever met. We loved her and we appreciated her so much. We also got to meet Mandy and Derek her two wonderful teenagers. Mandy was beautiful and kind and Derric was just learning and getting very good at playing a guitar. I am so sorry she is gone. I wish I could have told her one more time how much we loved her and appreciated her. When she was here and when we lived in Georgia I told her everyday how much I appreciated all she did for me and my girls. Thank you Willene we will never forget you!*

“ My deepest condolences on the loss of Willene. I went to Lab. school with her & was her room mate at the nurseshome. I have many happy memories of her. I hope your happy memories be a comfort to you at this difficult time. I loved her very much may God be with you eva Jo###imported-begin###eva jo beck herrin###imported-end###

“ Derrec and Mandy: I am very sorry to hear of Willene's passing, and am at a loss for words. I had hoped that I'd be visiting her and y'all this week, but not at all like this. I'll be leaving Tennessee on Friday and am planning to be there for the funeral on Saturday morning. I love y'all very much, and again, am so very sorry that we're reuniting like this.###imported-begin###Scotty & Leisa Rogers###imported-end###
