“ *My heart is a little sad like many others but I rejoice in the fact that you are no longer suffering and that you are with Jesus and your sweet wife. Mr. Bill, I've known you since I was a teen and every Sunday you never let me walk past you without a hug. (not that I would walk past without hugging your neck) Even though I would joke that I smelled like Bill Goodman's cologne the rest of the day, I loved you dearly! More than you know! I will miss your sincere, "hey darlin" and looking in my eyes to tell me you were praying for me. I am thankful for that one last hug and you telling me you loved me the Sunday before last. You were like a PaPa to me and many others. You will always be in my heart and I will never forget you. See you later!! Renee champion and Family (First Baptist Church of Dacula)*

“ *Dear Goodman Family, in the years we were blessed to know Bill and have him as an honorary member of our family we came to know how much he relished each and everyone one of you. His love of God and family were first. He always had a funny story to tell and we know he never missed a Tennessee game. We will all miss him and our prayers go out for healing of your hearts. God Bless... Linda and Steve Cox*

“ My favorite memory of Bill was when my Bill had colon cancer surgery and was doing Chemo treatments, he and Mazie brought over Mazie's delicious Chicken and Dumplings.

A few people have been gifted to be able to give you an its going to be an ok hug and Bill had that gift. I will miss his sweet voice and his hugs. But I know that Sunday morning when he entered Heaven he got the best hug of all and an awesome welcome home!
