“ I will never forget you, my friend. I remember coming to the Chicago Christmas party and laughing so hard with you until I cried. Thank goodness for Pat that night. We had so many great times and talks throughout the years. Time or distance never took away that we were always family through Atlas Copco. Even recently when you were so sick you contacted me to find out how I was doing with my issues. You were one of a kind. Rest easy my dear friend, until we meet again.
