“ *R.I.P. pop-pop Knecht. Today I received an email from LinkedIn in saying to congratulate you on a job anniversary and it brought tears to my eyes 😞😭...thinking of you and my other grandfather (pop-pop Pancrazio because it was his birthday today..) I pray and hope you are at peace and looking down on all of us. Love, your grand daughter, Angela*

“ Oh! I have slipped the surly bonds of earth
and danced the skies on laughter-silvered
wings ; Sunward I've climbed, and joined the
tumbling mirth Of sun-split clouds - and done
a hundred things you have not dreamed of -
wheeled and soared and swung high in the sunlit silence. Hov'ring
there I've chased the shouting wind along, and flung my eager craft
through footless halls of air. Up, up the long delirious, burning blue,
I've topped the windswept heights with easy grace where never lark,
or eagle flew - and, while with silent lifting mind I've trod the high
untresspassed sanctity of space, put my hand out and touched the
face of God.

*Pilot Officer Gillespie Magee
No 412 squadron, RCAF
Killed 11 December 1941*

Thank you Bill,

“ When Bill came into my mother's life he changed her world and
absolutely made the last fifteen years of her life the best! She
gained three wonderful daughters plus their families and a mother in
law she called "Mom"! They packed more fun in those years than I
think she had all the rest of her years. Ronnie, Jeff and I will be
forever grateful to Bill for loving our Mother and us unconditionally.

“ *Daddy, I don't know what to say.- my heart hurts so badly - I can't breathe.*
i love you so much & there won't be one day in the rest of my life you won't be missed.
Every time I see a plane in the sky, or see or hear a train go by, I will think of you.
We appreciate all you've done for us through the years & all the cherished memories you've given us. You've always been the best man, husband, & father that you could be.
I hope you can rest peacefully now that you're reunited with your two ladies.
You'll be forever in my heart!

“ *My heart is breaking. My Dad gave us an amazing life. He always protected us and provided for us. We had wonderful vacations and family memories. Daddy was so incredibly smart and accomplished. He helped teach my husband how to fly airplanes back in the day before when my husband and I were teens. We have many loving and funny stories about Daddy/Pop Pop. Dad, You will always be missed and live forever in our hearts*

“Daddy, forever in my heart and memories. We were a family filled with love and adventures. We had grandmom and grandpops shore house and Florida house. We did all the Strasburg RR memories. How about the plane rides with your WFK922 Plane you had and we flew all over with you and mommy. Snoopy loved it! So much we had. It's the day's as children I miss most. I am blessed I was there to hold your hand in your final moments, as you were there to welcome me into yours. I love you forever more.
