“ *You could always tell by visiting with Billy and Robbie that they were devoted parents and grandparents and very involved in helping their children over the years with babysitting, dinners, and lots of family time. We continue to enjoy the beautifully crafted outdoor swings and planters that Billy made and will do so for years to come. I know that he will be greatly missed by all, but remembered as the loving father and grandfather that he was. A very caring and loving husband and friend to all, always there to help.*

Robbie, during our last gathering with friends I was fortunate to have the opportunity to do something for Billy that you later thanked me for. Even though it was a small gesture I was the one that felt blessed that I was able to do something good for a good man. He will be missed. Prayers for you and the family. Eddie and Donna.
