“ *To Mary and extended family members, Patsy and I were saddened on August 18, 2018 to learn of the passing of Wesley. I knew Wesley from our attending Tignall High School together although he was several years behind me in school. From time to time we would see both of you in the Snellville or Atlanta area and it was always nice to visit briefly with you. He always enjoyed talking a bit about his time in the old home town of Tignall and mentioning friends that were common to both of us. May God bring peace and comfort to your loss as you move forward. Even though God calls each of us home, our memories here on earth always are there to love and appreciate the many good times spent together.*

Mary, Patsy always enjoyed visiting with you and we hope to run into you soon somewhere in our general area.

“ *Wesley was a very special cousin. He seemed like an older brother when I visited at his home to spend time with Beverly. On our last visit with him in Tignall a few years ago, I was struck by how much he was like his dad, a very special uncle, , how much he loved his family, and how important Tignall was to him. He will be greatly missed by everyone who loved him. Jarvis and Gloria Perkinson*

“ This is a hard thing for me to do since I just spoke with Wesley on the phone Sunday night asking my husband and me to meet with him, Mary and friends, Hugh & Nobie Keener a for dinner engagement on the night of July 28th. I was so uplifted about this engagement since it had been so very long since the six of us had gathered. His voice is still on my answering machine. What a true Southern Gentleman he was. I have known Wesley since I was a senior in high school and each memory I have of him is cherished. I pray that Mary and the family are doing as well as possible. His untimely death has so many of his family and numerous friends in disbelief but we all know that things happen as God has planned them long ago. We must trust that God is busy at work taking care of his earthly family and I pray that Wesley's family feel God 's loving hands touching each of them and whispering in their ears "all is right with his soul",

We all miss you, Wesley

“ Dear Mary, Gregg and family,

My sincere condolences for your loss. My memories of Wes will always be of a dignified and scholarly gentleman. I realize his passing was sudden and unexpected but take comfort in the fact he maintained these qualities his entire life. Time and distance may separate us but we are family and only a phone call away.

With Love and Regards,

Wes was a fellow business person and a friend. It seems that for a great while Wes and I were the only Georgia Tech fans in Snellville and Tech memorabilia was always available at his store. We spent many hours hashing out what was right and what was wrong with Georgia Tech and with the world. Wes will be missed.
