April 10, 1970 - August 20, 2021

HERRON – William Denver Herron, Jr., age 51 of Oxford, GA, passed away on Friday, August 20, 2021. A Funeral Service will be held at 2:00 PM on Wednesday, August 25, 2021 in the Loganville Chapel of Tim Stewart Funeral Home with Rev. Trenton Dockery officiating. William loved his wife Gina with his whole being and was very proud of his boys, Drake and Luke. He took care of the Earth and loved to recycle. William enjoyed camping and spending time outdoors. He was always up for Friday night Mexican, and he put hot sauce on everything. He played poker on Sunday night, instead of going to church, even though he loved God. William never met a stranger and could strike up a conversation with anyone. He never said no to a friend. He was loved. William was preceded in death by his parents, William Denver and Jewell (Daniel) Herron; and brother, Larry Herron. Surviving are his loving wife of 21 years, Gina L. Herron of Oxford, GA; sons, Luke Herron and Drake Herron, both of Oxford, GA; brother, Gary Herron of TX; sister, Charlotte Brown of OH; mother-in-law and father-in-law, Galen and Gloria Roth of Loganville, GA; numerous family and friends. “ William my heart and thoughts are with you today and always. As with Gina and Luke and Drake. As I sit here I remember the day you were. We use to sit and watch old movies with Uncle Denver after he was off work. You were so funny and adorable like the time you pulled the stop plug open on the milk. Of course Aunt Jewell probably was not to happy. But you made her happy in so many other ways. I think that you were everybody's baby. For some reason those Buster Brown shoes that you had to wear always found their way to my bare toes. So many fond and happy memories. Then you turned into a wonderful, happy and thoughtful and very intelligent man. We use to have so many good talks. Then you found Gina, and feel deeply in love. Not to mention how proud and happy you were. And as a dad and family man you were so loving kind proud. All these things I remember of you. I ask that you Drake,Luke and Gina forgive me for not being there for all of you. I know in my heart that you were always a forgiving man. You seem to put other people before yourself. You are in my heart forever and always. Will see you one day. Your cousin Marilyn

“ William, my heart and thoughts with you today forever and always. As I sit here I remember the day you were born. So many wonderful and funny memories of you. I think that you were everybody's baby back then. Those Buster brown shoes that you had to wear always found my bare feet. So many funny and fond memories back then and now. Then you turned into a wonderful, happy and thoughtful and very intelligent young man. And I'm not saying this because you are my cousin. Anybody that knows you knows this. Then you were so in love, proud, happy, happy. As a dad and family man I think your cup runneth over. All these traits are what I remember about you. Please forgive me for not being there for you, Gina and Luke and Drake. I know in my heart that you were always a forgiving man. You always seem to put everybody else before you. Forever in my heart your cousin Marilyn

“ I have so many memories of William he was such a good and humble person. Like when he worked at Christy's pizza in Vandalia. He really could make an awesome pizza. How he liked hot sauce. He was at mine and my husband's wedding and later at the hospital when our daughter had open heart surgery. I can't even begin to count the hours he and my husband played Sega. Just to name a few. Unfortunately we lost touch until Facebook. But I was glad to see that he was happy with his beautiful wife and handsome boys. You will be missed .Your kindness and generosity will not be forgotten. R.I.P. my friend. With our deepest condolences Cindy and David Blagg

“ William was one of my oldest friends. I remember spending hours at his house and he at mine hanging out and playing games. He had one of the best hearts and a most gentle soul. He had a quick wit and could always make me laugh. Some of my best childhood memories were of the neighborhood kids playing ball at Attica park with William. He was a great friend and an even better man. I'll miss you Flard.

“ *This saddens my heart so bad. Den Den (William) and I grew up in the same street in Vandalia Ohio. We played together every day until I would have Denver his Dad watch me run home in the dark. He turned me on to Ozzy I think he had every album. We played baseball with each other and against each other. I never knocked on his front door, I just walked right in. I always felt in a sense his and my family were related. I pray for his wife, children and family. Fly high Den Den. Love you my brother❤️*

“ William was a great kid. I say kid because we grew up together in Vandalia Ohio. He lived just a few houses down from me. He was always up to play football and baseball with my brothers and myself. He was the first kid I knew to get a computer and he loved working with it. I joined the army and feel out of touch with him then just as we reconnect he moved to North Carolina. My mom loved him like a son and I remember she nicked named him wilber. To his wife and kids so sorry for your loss. We will keep you in our prayers
