“ *Dear Ellie*

I am so sorry to hear about Bill. It was devastating news and there are no words that can express my deep condolences. We all had many memories of Bill and it is those memories that will keep him alive in our hearts. I will pray for you and your family and I wish I could have been there today.

My love and condolences to you and yours.

“ *Dear Ellie, I'm so very sorry for the loss of your loving husband Bill. The short time as neighbors was indeed a joyful one. It's brought us so close together as family from Lutz, FL to Snellville, Ga. Harry and Bill hit it off from the start just like us "little ones." Harry and Michelle, send their love and wish you and Billy, comfort during this difficult time.*

Billy, may you find peace and comfort with your beautiful daughters by your side. Now you have your mom to take care of and I'm sure you will do great. Remember to take care of yourself.

The Brencsons Family, Odette, Harry and Michelle, send you Peace, Joy and Comfort at this time.

“ I worked with Bill after joining PLP in 1979 - he was always willing to lend a hand or help with solutions. I knew him to be very proud of his family and helpful to people he met throughout his career. He was a good guy - God bless him and his family.

Sincerely,
John Jones

“ I knew Bill through Chapter 24 of NAWCC. He did a talk, with the help of his son, about fiber optics . That was his profession. We were amazed by this and learned things we were not aware of before. He was always up beat and optimistic, at least on the outside. And I don't think I ever saw him without his smile !
