“ *My sympathy and understanding are with you all in this time of sorrow. I attended BCC with Bill, "back in the day." We became buddies quickly and we enjoyed many classes and social activities together. Bill gave a speech once, in our public speaking class, that described how to properly bag groceries! I still remember, to this day, how to do that properly, even though I never worked in a grocery store. Bill was a great guy, I'm so sorry for your loss.*

Sincerely,

Bob Kingsley
