“ We will miss our friend of so many years. I can truly say that you will never be forgotten. I don't believe we ever had a cross word between us all the time we have known each other. You were always there when I needed you and never asked why. I also was there for you anytime you asked. You will always be in mine and Wanda's hearts and on our mind and I am quite sure we will mention your name often in memory. You had told me often you were ready to join Judy. We hate to see you go, my forever friend, but you are now with our Lord and He will take good care of you. Rest in peace, my friend, till we meet again.

Bill is my brother-in-law, my "baby" sisters, Judys husband. He was loved so very much by my family, and most everyone. He and Judy married at a very young age and would have been married 50 years this year. They started their married life living with Wayne and myself in Titusville, FL. He worked with Wayne as a brick masons labor which was lifting brick and block all day until his fingers bleed, He decided that wasn't for him and got a job at Shoneys. In January 1963 he and Judy moved back to Georgia. In the spring of 1963 their first born, Tina came into this world. Bill was determined to be a good husband and father. He was a good worker. He did everything from Washing dishes at Shoneys to owning his business, S&S Lenen. By 1966 they bought their first home, in Decatur GA. No one could have been more proud of them than Wayne and I were. Not too long after they got settled in their house, Eddie was born, Eddie completed their sweet family. Some years later they bought their 2nd home in Snellville, GA. This is where Tina and Eddie grew up and went to school. And this is also about the time Bill and Holly started S&S Lenen, later Bill became sole owner. Some years later, they had their dream home built in Loganville GA.. I have many wonderful memories of times spent with Bill and Judy,. I will keep forever in my heart. He is now with Judy They both will be missed so very much by me and my family... RIP Bill your now complete with Judy. Much Love

He will be greatly missed. During our last conversation I told Bill that I've loved him my whole life and will continue to love him for the rest of mine! My heart goes out to his family and friends that loved him as much as I did!
