

William Robert Sprayberry

July 26, 1984 - March 19, 2020

The first day of spring, March 19, 2020, brought both joy and sadness. The joy of God's renewal of beauty and the sadness of Will walking from this world. He left his footprint on the hearts of his family, many friends and co-workers.

His love of music dominated his life and soul. He was a great audio engineer and had worked to record many artists through Doppler Studios. Through this association he cherished those involved with the operation of creating the music we love. He was a graduate of South Gwinnett High School (Class of 2002). He received an Associate of Science Degree—Audio Engineering and Technology from SAE Institute of Technology and used this knowledge to its fullest.

His love for his family was also a dominate fiber of his being. He lived intensely and loved deeply. He leaves behind his father, Phil (Cindy) Sprayberry , his mother. Ellen Sprayberry and brother, Kevin Sprayberry (Stacey James) , to let the world know who he wanted to be and was to the end. He is also survived by his aunt, Pat (Buddy) Fears, uncle, Jeff (Jennifer) Sprayberry, and aunt, Robyn Bradley as well as many other much-loved relatives.

Will described himself as an “Old Soul” who was born into the wrong generation. When you hear “Will” you immediately say: kind, gentle, caring, a

good listener, sensitive, guider, gentleman, loyal, giving, musician, talented, steadfast, magician, true friend, great brother, loving son, and on and on...

A memorial service will be held at a future date. In lieu of flowers, the family asks that contributions be sent to a charity of your choice "In Loving Memory of Will".
