Was this Bill who had a sister Beverly and they once lived in Atlanta? I think I recognize her in the photos. This is Julie Martin Perdue, a friend from high school.

“ *Bill was my brother In-law until my sister Faye died in 1994 & my nephew's Billy's father. My self and my son Taylor will always be grateful to Bill for getting Taylor to & from school after Taylor was sent to the GIVE Center, after getting into a fight in school. Bill ask if he could take Taylor to & from school, we didn't have to ask. I was so relieved, I had to work and Bill stated he didn't have anything better to do. What a blessing he gave to me. Seeing the video a flood of memories & waves of emotions washed over me. I cried several times though out day, the memories of Bill, Faye & Billy as a family was a lot to remember & grieve for. Rest in peace Bill. I pray that you & Faye are together again & talking about old times.*

“ *Bill was my brother in-law until my sister Faye passed in 1994. In the 1980's I was a single mom working part time and getting no child support for my daughter. My car was getting old and needed a new transmission. I could not afford to fix my car nor could I buy another one. Bill was a good mechanic.. My family, including Bill , Faye, sister Jackie and my mom found a transmission for my car and paid for it for me. Bill, being good with cars installed the transmission into my car for no cost to me. I always appreciated this and still remember this fondly. It was a hard time in my life and it meant so much to me that my family was there to help me. Rest In Peace Bill !*
