“ I met Bill as a volunteer at Grace Arbor, a respite program at First United Methodist Church in Lawrenceville, GA. We started within a month of each other and we became instant friends, forming a bond that lasted over a decade. He was a kind, gentle man who loved his family and loved to help others. He liked to sing, especially old hymns, and he had a great voice. He also loved a good story and told many of his own. I will always remember the kindness he showed with the participants and how much they loved him. He was born in the exact year and month as my own father, which was another reason that we had such a special friendship. I send my deepest condolences to all of his family and friends. He will truly be missed.

Cindy, Thank you so much for sharing this photo. The Grace Harbor Family was very important to my Dad. He spoke of you as well as many of his GH friends often. Thank you for opening your heart to my Father.
