“ Billy was a great friend, employee, hunting Buddy, and someone i will always think of as my Brother. He always had time to talk and give his opinion about anything. Billy was a true friend that everyone who knew him respected and admired because he was a true and genuine GOOD SOUL.

I will miss him dearly. Billy, May you rest in peace!##imported-begin##Keith Cristal and Family##imported-end##

“ Today you welcome me to heaven and sorrow feels your heart even though we are not together we will never be apart.

Our time we had together was cut short in the blink of an eye but you can still see me in all gods' glory when you look up to the sky.

Why he called me home so soon right now I can't explain I know you have the answers and your friends all feel your pain

Today you cry and say good bye to the man you knew and loved but I promise you our next time together will be for eternity in heaven above

Now it is time to move on and let me fly like a dove I know you will not forget me as you will always feel my love as I look down on you

today I know why you are sad but please remember even here in heaven I will always be your Dad##imported-begin##Steve
