He worked with the Georgia Forestry Association, Project Learning Tree, The Billy Landcaster Forestry Camp, FFA Camp, and various forestry camps held in Georgia. “ *I met Doug years ago within the forest industry when he was with F&W. I got re-acquainted with Doug in recent years as he was working with Keadle Lumber.*

It was my pleasure to work with Doug because I found him always friendly, honest, and forthright regarding my business. He was always good for laughter on everyday things.

My sincere condolences to his family.

“ Mr. Doug was also a supporter of the LMS Relay for Life team. He spent many hours helping us prepare for the Walton County Relay event. He also spent many smoking our boston butts to sell at the event. Our team was a success due to his sacrifice of time and his incredible ability to smoke pork. Our team will miss him deeply. Relay will not be the same without him.##imported-begin##Amber Prince##imported-end##

“ *Maria, Doug told me the moment he laid eyes on you he knew he wanted you to be his wife. When he spoke of you he always called you his "bride". You were the love of his life along with your two beautiful girls. As he spoke of how proud he was that Christina was the FFA president of the school chapter, and of Olivia playing volleyball, his eyes would light up and you could see the love spilling over. He was a wonderful man and a true friend to me. He always had a kind word to say whenever I needed it (unless it was about UGA) and would make me laugh when I felt down. He was a true friend and I will miss him greatly. My heart and prayers are with you and your family.###imported-begin###Kathleen Brooks###imported-end###*
