“ Where does one begin when thinking of a person who shaped their view on life!! " Mr. Click" ...The smile that welcomed everyone as if they were long time friends, the stories that made you laugh until you cried, and the ability to put up with us as we were growing up and learning about the ways of the world. Your wisdom, your patience, and your sense of humor...thank you for sharing a part of your celebration of life with us. You always have had and always will have a special place in our hearts.##imported-begin##Carl and Cindy Zablocki##imported-end##

“ So Sorry to hear of Bill's passing. Although he has gone on ahead, he will always be with you in all the beautiful memories you had with him for many, many years. When my sister passed away I took to heart the words of a song sung by Josh Groban called "Only a breath away". If you stop and think about it Bill is "only a breath away"! Take care and God Bless.##imported-begin##Cheryl and Ernie Beard##imported-end##
