“ *To the Henderson Family,*

*I want to offer my deepest sympathy for the loss of Red. He was one of my supervisors at Bellsouth and I really enjoyed working with him. I enjoyed listening to all of his stories about his travels. We both liked basketball and talked about it all the time. He was a nice man and I will miss him. My prayers are with your family at this time.*

*Sincerely,*

“ I worked with William years ago in the pay phone industry. He was such a joy to work with every day - always looking on the bright side of everything, and always smiling! My deepest sympathy goes out to his family and friends -
