“ Please accept our condolence to Bill's family at this sad and stressful time. Bill and Dan worked together over 39 years until Dan's retirement in 1992 and has kept in touch ever since. We received a personal email about 2 weeks prior to his passing away. It has been a painful shock to learn that he had passed away. Bill really cared about people he worked with and his friends. We will miss him. One of the best chapters in our life is when we lived in Atlanta in 1981. We were welcomed with open arms by Shirley and Bill. Memories keep us going. Our heart goes out to Shirley, Scott and Pat at the passing of Bill.###imported-begin###Dan and Mary Kemp###imported-end##

“ I am one of many that owes a lot to Bill for his leadership, mentoring and example through the years. He set a standard that was a benchmark for me in my career. You never had to guess where you stood with Bill as he provided positive reinforcement if you were doing well and "appropriate" guidance when he knew you could do better. My condolences to the family as I know losing Bill will leave a void in your world.

“ *It was with great sadness that I learned of Bill's passing. Bill was an outstanding leader of ADT Security Services, and I considered him a friend as well as a mentor. Everyone at ADT who knew and worked with Bill saw his great passion for service and for taking care of his employees. The entire ADT organization including our Knoxville office is better for the time Bill was a part of our team.
