“ We are both so saddened at the untimely loss of our good friend Mac. I will miss his humor and wit and his ability to find something good in almost everything.

If love of family, company and country are an indication of a life well lived, then Mac's life was indeed well lived. When Mac arrived at the Pearly Gates, St Peter must have looked at Mac and said, you are here much too soon, but you have been a faithful servant and by all means come on in!!

Mac leaves me with years of great memories and ones that I will carry with me for the rest of my life. I will miss Mac but will always remember him.
