“Dad thinking about you tonight I miss you and love you so much. I hope you know how much you mean to me and how much I love you and miss you I am happy for you you are in the arms of God and eternal peace just strenghten us and ask God to strenghten us as we are going through each day you are in our thoughts and prayers and there will always be a void that no one can fill. You were the greatest dad and I am proud you were mine and I will see you again one day I just hope this pain and lonliness for you gets better I know you would not want us to cry and be sad so I am trying to be strong but I have my moments of missing you and wishing I could just hold your hand rub your face kiss you head and tell you one more time what you mean to me and how much I love you I hope you know. “ To Tina & Phil, Christie & Todd, Fran & Chuck and your loved ones: The service today was a beautiful expression of a man who was deeply loved. You are in our thoughts and prayers as you let go of your dad, granddad, & brother into the arms of our great God & Savior, Jesus Christ. Although we never met Mr. Patterson, we followed these last few months through Tina's precious prayer request emails and you have continuously been in our prayers. God gave you all the gift of time to prepare for his home-going, to love on him and let him know just how much he meant to you. We are so thankful. Praise God you have the peace of knowing he has ultimately "Retired" in the Lord's Heavenly Home and you will celebrate with him again one day. You and your families will be in our prayers over the coming days, weeks, and months as you miss him, but live with this hope in your hearts. God Bless you & Keep you. “ When Brenda called me to tell me that Billy had passed away she said I have good news and bad news. The good news is Billy has gone to be with God and the bad news is we will miss him. How true it is that I will miss him. I have missed him for over thirty years. Every time I see a Bicycle I think of Billy and those days when we were young. He will be forever young to me. Good bye Amigo. See you soon. To Billy's family I say thanks and keep on keeping on. God loves you and will care for you.##imported-begin##William##imported-end##
