“ *Granny I miss you dearly more than words can ever express. This is hard on me I didn't live by you but you was always with me and I always thought about you. I treasure every single memory I had with you. You always taught me things like to bake and you and papa taught me how to love God as much as you do. I learned how to sew because I wanted to be like you. I miss coming up every summer for vacation bible school to not only get closer with you but get closer with God. You being gone is like a pice of me is missing. I am thankful for all the precious time I had with you Rest In Peace granny you and papa are with Jesus and one day I will see you again walking into the pearly gate walking the streets of gold to me you papa and Jesus. I love you so much.*
