“ *Mawmaw, Thank you for being a great light in my life. You have always been like a mother to me and for that I am grateful. You have always been a rock, a loving person and a giving person. Words can not truly express my feelings for you. You will truly be missed, but I know I will see you again soon. All my love,

“ *Maw Maw will be greatly missed. She was a kind and sweet "southern lady". She was the only person that could cook southern food the way I liked it. I know she is smiling down on all of us along with JC. Now they can be together again enjoying each others company. Whenever I eat Collard greens, I will think of her.*

Love Ya'll
