“ *Les, Lee and Lynn and your families,
I was so shocked to open the e-mail today and see your message. Thank you so much for letting me know. I have loved all of you for years and your Mom and I were so close. I have missed her more than any other friend that was left behind due to transfer, etc. My heart goes out to all of you and I will be with you, in spirit, on Sunday.*

All of you boys were mine when you were small and I have many good memories of the antics you pulled. You locked the bathroom door while you and Lee were taking a bath together and turned the hot water, only, on. Little Lee was standing on each end of the tub to stay out of the hot water and I had to use a pick to open the bathroom door since you wouldn't do so. Also, Lee put a key in an open electrical plug in. It's a wonder he wasn't electricuted. I kept all of you when your Mom was in the hospital before Lynn was born.

God be with all of you. I send my love and sympathy.##imported-begin##Joye Kane##imported-end##
