“ *Dear Kirk and Family,
We knew and loved Ms. Winnie for several years. We met her at Four Seasons in Winder, my mother lived in the same facility. She was always so cheerful and upbeat when we would visit with her. Our last visit with her was the end of July, when she said she was ready to go home to Heaven. We were blessed to call her a friend.
God Bless You All,

“ So sorry that my sweet friend, Winnie, is no longer in our lives. I rest assured that she has a new body now that God has promised. There will no more pain for her. Pain for our loss can give way to the promises that God has given us that we too shall have not new body if we have accepted Christ.

I count it a privilege to have know Winnie and extend my sympathy to Kirk, his wife and son.##imported-begin##Jenny Purcell##imported-end##
