“ I worked with Winston in Atlanta with the Forest Service for 20 years. A fine man, fine friend, dedicated worker who embodied integrity in all he did. We shared many early mornings over coffee talking old times around Homer, LA where we both grew up although 10 years or so apart, as well as LA Tech where we went to school. Thanks for the memories and God bless your family at this time of loss.##imported-begin##Johnny Jones##imported-end##
