“ I am so sorry for the loss of Wren. She was such a beautiful, sweet and kind person. We were in Elementary, Middle and High School together and saw each other throughout the rest of our lives at different times. I will always have those precious childhood memories of us. We had so much fun together at Dacula. I know how close she and Gary always were and I am praying for him and for all of the family. I know that God has gained another beautiful angel and that she is at peace with the Lord. She will be missed by so many. I loved her so much.
