“ *Such a wonderfully kind, soft, unassuming person, who touched others without saying much. I always thought of Yukiko as someone to model one's self after. Never an unkind word, never judgmental, always accepting. I do think in the end, she accepted her passing on, but the difficulty for her i think was leaving her so much loved family. She will be missed by her family most, but will always be thought of by those who knew her as someone who knew how to love unconditionally.*

Be strong and know she wanted only the best for all of you.
